WINTER SWIMMING 2019/2020 in Frankfurt's public pools

JUNIOR SWIMMING POOL CARD

Buy online at www.frankfurter-baeder.de or on site at one of our pools on the online terminals. Apply for your junior swimming pool card and secure the first benefits for yourself:

- No more annoying queueing so you get into the pool much quicker.
- The ticket can be used on your phone as an e-ticket.

Do you still have questions about our junior swimming pool card?
Here are our answers:

How do I apply for the ticket?
On the Frankfurt swimming pools website or an online terminal through a parent or guardian.

What happens after I have applied for a ticket online?
After you have applied, you'll receive a ticket code by email. You'll be sent one email per child. You can either print out this email or save it on your phone.

Warning: store this information in a safe place as you'll need it to get a replacement ticket.

I have received the ticket code/s. How do I get the ticket?
Produce your ticket code as a print-out or on your phone together with some ID at the front desk at the swimming pool. Then we'll take another picture. That's it.

Plastic ticket or an e-ticket?
Either works. When you activate it at the front desk, your ticket can be issued as a plastic ticket or as an e-ticket for your smart phone.

How can children and young people use the junior swimming pool card?
At the indoor swimming pools and Brentano open-air swimming pool, you can use your plastic ticket or e-ticket to get in at the turnstiles. Simply hold it in front of the scanner. At our other open-air pools, you just need to produce your ticket at the front desk.

What do I do if I've lost my ticket?
If your ticket has been lost or stolen, you can be issued with a replacement ticket for a processing fee at the front desk.

How long is the ticket valid for?
The junior swimming pool card can be used up until you turn 14.

Until you reach the age limit, you can extend your ticket by showing it at the front desk after 12 months.
